

South Central Texas Regional Certification Agency Member Entity Contact Information

Please note:

Certification is just one step of many to becoming a vendor to the below listed agencies.

Instructions: Please contact each entity below or **register on their website** to gather information about becoming one of their listed vendors. Each entity will have a different process or requirement, so we advise making multiple copies of your certificate document for easy submittal to each. Good luck and should you need assistance along the way, please feel free to contact the SCTRCA at 210-227-4722.
